

NSW DENTAL TECHNICIANS REGISTRATION BOARD

PP No: 4

POLICIES AND PROCEDURES

Employment of Overseas-Trained Technicians

An overseas-trained applicant for registration, who has attended an interview with the Qualifications Committee and has satisfied the requirements to sit the Board-approved examination for registration, may be granted permission to undertake paid technical work whilst receiving supervised refresher training in preparation for the examination.

The approval shall not extend beyond the date of the next examination.

Approval letters will be issued to the applicant for registration and to the supervising technician/prosthetist/dentist.
